Chairman's Welcome

Welcome to the 2014 Denver Rocky Mountain Regional Bridge Tournament! I would like to thank the Unit Board and Unit members for their help in planning and running this tournament.

This year the District 17 GNT Finals will be held Saturday and Sunday at 1 and 7 p.m. Flight A and Championship Finals on Monday at 10 a.m. Most sessions will be played in the

Telluride Room on the Mezzanine level. Look for signage for the various venues.

The Renaissance Hotel enforces a smoke-free environment. Players may smoke at designated areas outside of the hotel.

There is free parking throughout the tournament in the parking garage.

Guest speakers will lecture Wednesday through Sunday at 12:15 and 6:15. See the Daily Bulletin and

Speaker Poster (at bottom of escalator) for topics.

The Renaissance Hotel restaurant specials and a list of area restaurants offering discounts for our players are available at the registration desk.

New life masters and winners of Pairs, Knock Outs and Swiss Teams are asked to have their picture taken. The photographer will be available 30 minutes before the 1:00 and 7:00 sessions in the lower level Atrium.

So, get a partner, and enjoy a week of bridge!!

ACBL District 17 is using BridgeResults at all Regional Tournaments

Understanding the Laws As a player, you should keep up with the changes in the Laws of Duplicate Contract Bridge.

Law 16 was revised to state that when an opponent has made extraneous information available (e.g., an unmistakable break in tempo), an ACBL player may announce that he is reserving his right to call the director later. If an opponent disagrees that unauthorized information might have been conveyed or made available (i.e., no break in tempo) the director should be called immediately.

Law 20 clarifies some ACBL practices and should be noted:

- A player may not ask a question (at the appropriate time) solely for partner's benefit.
- If your partner asks a question at his turn to call, you may not ask a supplementary question until it is your turn to call.

Law 25, Changes of Calls, has been substantially changed by deleting the "purposeful correction" option. Under the revised lay, if a call is deemed unintended (inadvertent) it may be changed if done without pause for thought.

If the call was not unintended, it stands unless the caller's left-hand opponent accepts an attempt to substitute another call. Knowledge of the call that was withdrawn is unauthorized for the offender's partner.
