Some of my partners call me a dinosaur because of my disdain for unnecessary conventions. Here is my convention card:

- 1) Have a good time and make sure your partner does, too.
- 2) Bid what you think you can make.
- 3) Double the opponents when they get too high.
- 4) Be a thoughtful defender.

I hope they never find life on another planet because our government would start sending money to them.

Fool me once, shame on you. Fool me twice, shame on me. Fool me 350 times a year, you're my weatherman.

How to dress for your shape: Are you human shaped? Play up your confidence and sex appeal and wear whatever you want. As the weather gets warmer: continue to wear whatever you want. Flaunt everything or keep it cool undercover. Dress to make yourself feel good. How to get a bikini body: put a bikini on your body.

TOP TEN THINGS YOGI BERRA MIGHT SAY IF HE WERE A BRIDGE PLAYER:

- 10) Whenever dummy comes down with a distributional hand with hearts and diamonds: "Aha. Caught you red-handed."
- 9) If you are pair seven, when the opponents ask your number, "Well, we started out as seven, but we've been chopped down to six-and-a-half."
- 8) Always alert partner's bids of three no-trump, four of a major and five of a minor. When the opponents ask, say "forcing to game."
- 7) If you get away with that, then you can alert six-level bids and explain as forcing to slam.
- 6) On any flat board, where declarer makes the same number of tricks regardless of the lead, "Well if I led (anything else), we could have held them to (same number of tricks)"
- 5) When you preempt and it is passed out and the dummy comes down, ask your partner why they bid so much.
- 4) Compliment your partner when they bid, defend or play a hand well. Then, remind them that last year around this time, they also bid, defended or played a hand well.
- 3) When the last hand of the event is completed, wish the opponents good luck on their next round.
- 2) When partner puts down their misbid hand as dummy, ask "What happened to the hand you held during the auction?"

And the number one thing Yogi Berra might say if he were a bridge player:

- 1) After bidding and making three no-trump, " I started with nine tricks—AND DIDN'T LOSE ANY IN THE PLAY!!!"

Stratified: A=2000+; B=750-2000; C=0-750 (Stratified by team or pair average)

Strati-flighted: Flights A/AX play together: A=5000+; AX=0-5000; Flights B/C/D play together: B=1250-2000; C=750-1250; D=0-750

Knockouts: Bracketed by average masterpoint holdings of all team members. Compact KOs limited to 4 members only. KOs may be handicapped.

Trophies

Trophies awarded by the Denver Unit each year include the **Lou Neff Trophy** which goes to the Denver bridge unit player winning the most masterpoints at this Denver Regional Tournament.

The **Frank Thorwald Trophy** goes to the Denver Unit player beginning the regional tournament with fewer than 50 registered masterpoints and winning the most masterpoints in the Stratified 199'er events.

Novice Denver Unit players qualify for **The Denver Post Len Smith Award**, which goes each year to the player who begins the year with 0-20 points and wins the most masterpoints from all sources during the year.

The **Colorado Victory Trophy**, sponsored by the Denver bridge unit, goes each year to the Colorado player winning the most masterpoints for first through third in upper division championships at Colorado sectional tournaments.

Goodwill Day

Thursday is the day we celebrate Goodwill Day at all District 17 Regionals. Please help us celebrate goodwill day by taking note of some of the small ways in which you can do your part to make the tournament a pleasant experience for all of our players. Good luck at the bridge table!

Overheard: "My wife made me join a bridge club. I jump off next Tuesday."

"The real test of a bridge player isn't in keeping out of trouble, but in escaping once he's in it."
-Alfred Sheinwold
