In 2005, Denver will host a National Bridge Tournament (NABC). An organization separate from the Denver Unit Board will plan, organize and run the NABC. The Denver Unit Board's involvement is limited to organizing the National Tournament Co-Chairs and major committee chairpersons, who will then assume responsibilities for the National Tournament. The National Committee should be in place and working by 2002.

We feel the Committee should be thinking about and discussing ideas for hosting this tournament and the manpower required to do so.

One way to raise funds to finance this national tournament is through corporate sponsorships. The ACBL has provided information on this activity.

Sponsorship monies could be used for flyers, giveaway items, postage, rentals, signage, youth involvement, phones, etc.

Sponsors could be given the opportunity of having their logo printed on items, allowing them to display products in a booth, banners, etc.

The Committee must decide which companies to approach and who should give the sales pitch to them. The ACBL information is helpful in this regard.

The beauty of this idea is that to date we have never asked the community for money and we can show them the many tournaments we hold year after year and the impact it has on the community.

By implementing corporate sponsor-

ships, it will help reduce the amount of money we will need to raise through other fund-raising activities.

We feel a BRAINSTORMING/PLANNING meeting is beneficial as a first step in guaranteeing that the Denver NABC is one of the best ever. Topics may include, but should not be limited to:

- Recommendations for Tournament Co-Chairs and Committee Chairs
- Sponsorships: Who do we approach? What do we ask for? What we can offer?
- Fund-raising Activities
- Hospitality: registration, giveaways, table goodies, etc.

WE WANT YOUR IDEAS. A new email address: tourney05@aol.com can be used to send your ideas or suggestions, or to notify us of your interest in serving on the National Committee.

It's not perfect, but that's how the auction went. Plan the play.

With his strong spade holding, West should have led a trump, which would have ruined a good story. After the diamond lead, South ruffed in hand, played a trump to dummy, ruffed another diamond, returned to dummy with a trump and ruffed a third diamond in hand. Now declarer crossed to dummy by overtaking his J♣ with dummy's queen. He cashed dummy's A♥ and A♦, discarding the ♣AK from hand. Dummy's three clubs winners were taken, followed by a spade to the ace. South graciously conceded the final trick to West's K♠.

199er Tournament

The next 199er tournament is being held April 15-16, 2000. This tournament is a special event designed for you – the newer player. It's the best place to learn about tournament bridge. Come and join the fun. See complete schedule on the back of this newsletter.

It's About TIME!!...YOURS!

Tournament Directors have been instructed by Memphis to take the problem of slow play seriously. Many of the letters of complaint sent to the ACBL in Memphis deal with slow play. Therefore, we offer these suggestions:

1. Lead first, then do your bookkeeping.
2. Complete all boards in the round before you tell partner what he should have done.
3. If you haven't finished your boards before the round is called, North/South should move a board to the next table.
4. East/West pairs that have completed their boards should vacate their seats when the round is called. Don't continue sitting because the next chair isn't empty yet.

Reducing slow play will benefit everyone. Do your part.

Looking for a Few Good.....Caddies

Do you have children or grandchildren between the ages of 13 and 17? Would they like to earn some spending money? The Denver Unit is looking for caddies to work at our sectional and regional tournaments.

Do you know of any churches or philanthropic organizations looking for a fund-raising project? They could supply caddies to our regional tournament and the caddy "salary" would be remitted to the organization for any purpose they desire.

E-mail Brad Wilson at: Brad99Wils@aol.com, or call 303-757-7647.

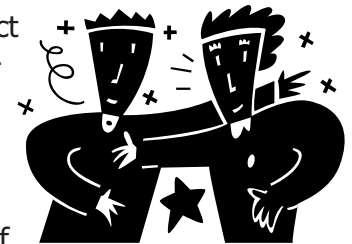

The Mentoring Program has been Revived

We are again implementing the Mentor Program and are soliciting your participation.

The program is designed for a person to act as mentor to a newer player. Possibilities include: The Mentor playing bridge with the Mentee occasionally, being available to answer bridge questions, kibitzing, and offering suggestions.

The Unit is investigating the possibility of holding "Mentor games" where Mentors and Mentees can compete and get to know one another. These games will likely be followed with a Question and Answer session, where all participants can learn lessons from some of the hands played during that session.

If you are interested in being a Mentor or Mentee, please contact Pete Heber at (303) 721-7779 to sign up and learn more.

Hospitality Notes

A big **THANK YOU** to those of you who brought snacks to share at the January Sectional.

Carolyn Newcomb and her committee would appreciate any snacks you would like to bring to share at our March sectional. Our tournaments are made special by the contributions of our members.

Please see her or any board member when you arrive at the March sectional with your goodie to share. Again, thanks for making our tournament hospitality memorable.
